

# Chapter 1

## Introduction

---

**Algorithm 1:** Example Algorithm 1

---

Initialize variables;  
**for** *each item* **do**  
    └ Perform action;

---

---

**Algorithm 2:** Example Algorithm 2

---

Initialize variables;  
**for** *each item* **do**  
    └ Perform action;

---

---

**Algorithm 3:** Example Algorithm 3

---

Initialize variables;  
**for** *each item* **do**  
    └ Perform action;

---
